## South Lake Union Clinic

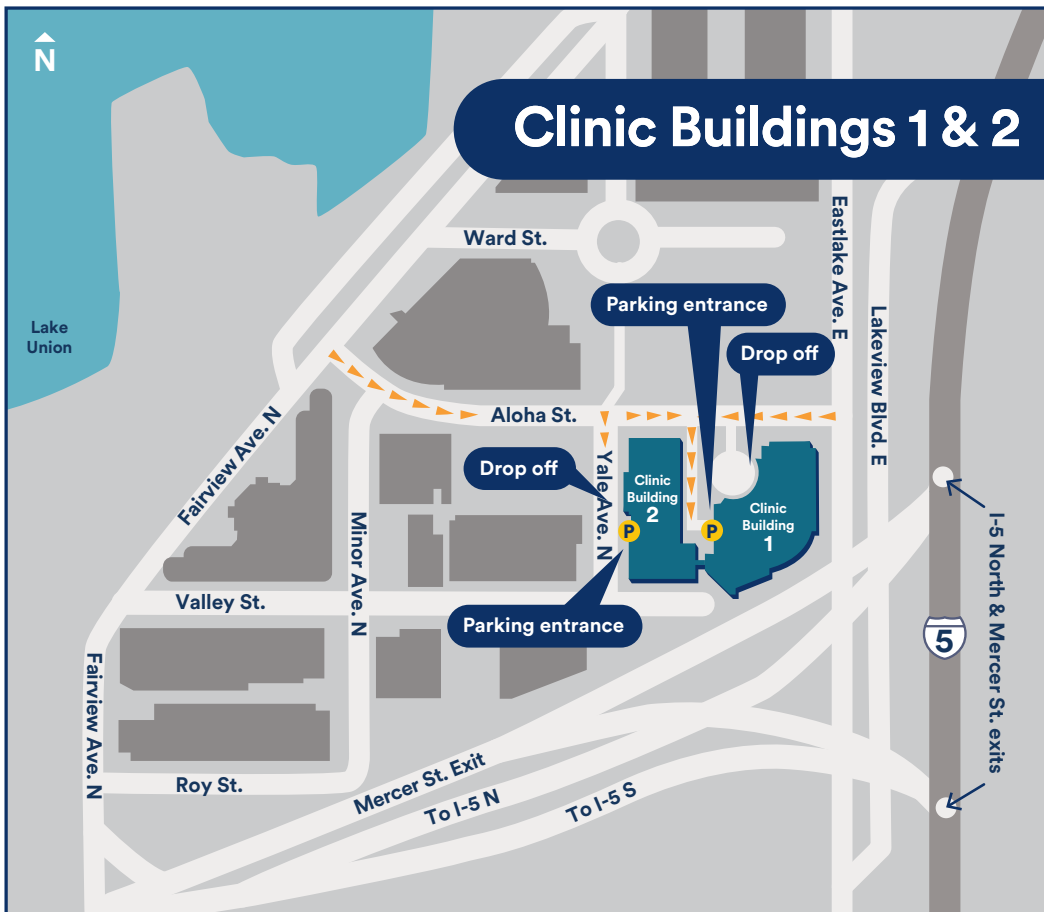

**Fred Hutch Cancer Center –  
South Lake Union Clinic Building 1:**  
1354 Aloha St., Seattle, WA 98109

**Fred Hutch Cancer Center –  
South Lake Union Clinic Building 2:**  
820 Yale Ave. N., Seattle, WA 98109

### How do I find the right clinic building?

The two clinic buildings are connected but have separate parking structures and addresses. If using a mobile map app or a rideshare service, we recommend using the exact address above for the building where your clinic is located. Parking in either garage will allow you to get to your clinic, but the corresponding garage or drop off area will be more convenient. The two buildings are connected by a corridor on the first floor. If you enter Building 2 from the parking garage, you will be on Floor A. Take the elevator up to Floor 1 and follow the signs to enter Building 1.
